KENOSHA UNIFIED SCHOOL BOARD PLANNING/FACILITIES/EQUIPMENT MEETING

Future Agenda Items

Mr. Finnemore indicated that he would be presenting the Capital Plan, a Utilization Study, and changes in Facilities related policies at future committee meetings.

Meeting adjourned at 5:41 P.M.

Stacy Schroeder Busby School Board Secretary

KENOSHA UNIFIED SCHOOL DISTRICT NO. 1 Kenosha, Wisconsin

April 9, 2013

Kenosha eSchool Lease Extension

Background:

On August 1, 2010 Kenosha Unified School District entered into a three-year lease of the property located at 6121 Green Bay Road in Kenosha to serve as the home of the Kenosha eSchool. That lease is set to expire on July 31, 2013. It was decided to pursue a one-year extension to that lease provided the financials terms remained the same or were reduced. The landlord has agreed to a one-year extension with no changes to the financial terms which are:

- x Rental price of \$12.00 per square foot which equates to a total cost of \$37,728 for the year
- x No charge for the basement storage space
- x KUSD is responsible for utility costs
- x Landlord is responsible for all maintenance/association fees for common area maintenance.
- x No deposit required

KENOSHA UNIFIED SCHOOL BOARD JOINT AUDIT/BUDGET/FINANCE AND CURRICULUM/PROGRAM

KENOSHA UNIFIED SCHOOL BOARD CURRICULUM/PROGRAM MEETING Educational Support Center – Room 110 March 12, 2013 MINUTES

A meeting of the Kenosha Unified Curriculum/Program Committee chaired by Mrs. Taube was called to order at 6:27 P.M. with the following Committee members present: Ms. Stevens, Mrs. Anderson, Mrs. Daghfal, Ms. Santoro, Ms. Galli, and Mrs. Taube. Dr. Hancock was also present. Mrs. Coleman was excused. Mrs. Reed and Mr. Simpkins were absent.

<u>Approval of Minutes – February 12, 2013 Meeting</u>

Ms. Stevens moved to approve the minutes as presented in the agenda. Ms. Santoro seconded the motion. Unanimously approved.

Information Items

Dr. Sue Savaglio-Jarvis, Assistant Superintendent of Teaching and Learning, and Mr. Paris Echoles, Coordinator of Student Engagement and Equity, presented the Attendance Improvement Means Success (AIMS) Follow-Up Response as contained in the agenda. They indicated that the report was for informational purposes only and in response to a request made at the November 12, 2012, committee meeting for an update on truancy numbers of kindergarten through eighth grade students. Information on the goals of the program, funding, and students served through the program were shared with the Committee.

Ms. Stevens and Ms. Daghfal requested information on the success rate of the program. Dr. Savaglio-Jarvis indicated that the request would be included in the end of the year report of the program.

Dr. Savaglio-Jarvis and Mr. Kristopher Keckler, Executive Director of Information & Accountability, presented the Middle School Mr. Keckler presenta2()1(pons3(w)16(er) a2()7(eq)10(ues)

Views and comments by the public were made in regards to the Middle School Honors Report.

Future Agenda Items

Dr. Savaglio-Jarvis indicated that she would be presenting an update on Project Lead the Way next month.

Meeting adjourned at 8:20 P.M.

KENOSHA SCHOOL OF TECHNOLOGY ENCHANCED CURRICULUM CHARTER CONTRACT

On April 3, 2007, the initial Kenosha School of Technology Enhanced Curriculum (KTEC) school proposal was presented to the Board of Education. At that time, the Board approved a five-year charter contract with KTEC. KTEC is reaching the end of they to the charter and is seeking dive-year extension.

The attached contract reflects current instructional and management practices at the school. Annual evaluation of the students' success is reported in the KUSD annual report. KTEC has demonstrate discal responsibility throughout the previous contract, and currently "exceeds expectations" according to the Department of Public Instruction school report card.

Administration Recommendation

Administration recommends that the Curriculum/Program Committee **forthe** proposed 2013-2018 KTEC School Contract to the full Board for consideration at its April 22, 2013, Regular School Board Meeting.

Kenosha Unified School District Kenosha, WI

Kenosha School of Technology Enhanced CurriculurContract

This agreement is made as of the 22day of April, 2013 by and between the Board of Education for the Kenosha Unified School District No. 1 ("Board") and the Kenosha School of Technology Enhanced Curriculum ("KTEC").

Terms of the Contract

The term of the Kenosha School of Technology Enhanced Charter Contract shall be a period of five (5) years commencing of the day of July 2013.

It is understood and agreed that the Kenosha School of Technology Enhanced Curriculum will follow all of the established district policies and procedures unless stipulated differently in other provisions in this contract or provided by law.

Sponsors

The sponsors of this contract are the KTEC Governance Board and founding members. The Governance Boards composed of parent and community members. The founding members are Dr. Angela Andersson, Lynette Powers and Sarah McMillian.

Person in Cha

- x Access to upto-date, primary source material
- x Methods of collecting and recording data
- x Ways to collaborate withtusdents, teachers, and experts around the world
- x Opportunities for expressing understanding via images, sound, and text
- x Learning that is relevant and assessment that is authentic
- x Training for publishing and presenting their new knowledge

The school will use instructional materials consistent with Common Core State Standards. The curriculum will include literacy, science, engineering, and math. Social science concepts will be taught through literacy instruction. Technology will be integrated into the curricular program to provide practice, to assess learning, provide information, as a tool to complete advanced problems, and provide highwality presentations

Students often engage in cooperative learning experiences to enhance higher order thinking skills within the curriculum. Through working in collaborative teams, students develop communication, leadership, and teamwork. The school has high expectations for student academic progress and behavior.

All teachers at KTEC attend professional development sessions to build an understanding of the curricular program and culture of KTEC. This training includes information on teaching 21 Century Skills and character education as well as KTEC's literacy and STEM programs

<u>Co-curricular Courses</u>Technology will be used in each eourricular area to enhance student learning and engagement.

Art: Each KTEC student will receive a comprehensive art education that includes art making, aesthetics, art history and culture, as well as art criticism. To promote learning in the six Wisconsin Standards categories of knowledge, skills, communication, thinking, understanding, and innovation, students will participate in a variety of artistic activities and projects. Technology will be integrated in art through projects related to graphic design. @rosslar connections will be made when appropriate.

Health: KTEC requires each middle school student participates in health lessons each year. The lessons focus on the standards set by the Wisconsin Department of Public Instruction and strives to present material with a personalized and individualized approach. Topics include personal wellness, fitness, hygiene, nutrition, stress management and life stages.

Physical Education: A quality physical education program is offered to students as part of the KTEC curriculum. Embracing the Standards and Benchmarks set forth by the Wisconsin Department of Public Instruction and the National Association of Sports and Physical Education, lessons are designed to provide activities that are inclusive, highly active, and challenging.

KTEC employs current best practices and technology to integrate physical, academic and

Governance Structure/Methods to Insure Parental involvement

Governance MethodThe Kenosha School of Technology Enhanced Curriculum Governance Board oversees the attainment of the educational outcomes of the charter school and ensures that the school is in compliance with this Contract and the mission of KTEC. The Governance Board will also assist in securing grant monies and other sources of revenue to deepen the capabilities of the school, approve the annual budget for KTEC, build community relations, and make policies that govern the operations of the school.

The KTEC Governance Board will consist of 7 voting memberse Governance Board will include an exofficio member which will be the principal of the school. Members shall serve 3 year terms which will begin on Mayst and conclude April 30 There will be no term limit. The Board will reorganize on April 30 of each year which will include swearing in of new Governance Board members and electing new positions. Governance Board members must let the President know by the 2 Tuesday in January if they will be serving an additional term.

Methods to Ensure Partal Involvement Parents are important partners in the educational program at KTEC. The governance structure of the school addresses parent involvement. Parents are involved in the school's Governance Board making them a critical part of the decision making process. Parents are also involved through an active Parent, Teacher, and Student Organization. Parents volunteer in many ways at KTEC. The Governance Board conducts surveys parents about satisfaction with the educational program of their students.

<u>Discrimination</u> The Kenosha Unified School District and by extension Kenosha School of Technology Enhanced Curriculum is an Equal Opportunity Educator/Employer with established policies prohibiting discrimination on the basis of age, race, creed, religion, color, sex, national origin, disability or handicap, sexual orientation, or political affiliation in any educational program, activity, or employment in the District.

Teacher Qualifications

Teachers at KTEC must meet all KUSD qualifications for employment as well as the requirements established by the Wisconsin Department of Public Instruction. In addition, teachers must demonstrate technical competency and an understanding entry Skills and Science, Technology, Engineering, and Math integration. Some positions require additional, specialized training such as Project Lead the Way.

Employee Status Employees are considered KUSD employees and therefore are entitled to same salary and benefits as other KUSD teachers.

Student Health and Safety

All health and safety policies will be adhered to including fire and safety drills. OSHA safety procedures will be in place.

<u>Violation of WI Stat 118.4</u>0 If the KUSD Board determines that the charter is in violation of Wisconsin Statute 118.40.

<u>Insolvency</u> If the KUSD Board determines that charter's revenues are insufficient topay it expenses.

Notice

Whenever under this contract notice must or may be given to the other (Kals) or Charter)

COMMON CORE: MOVING FROM ADOPTION TO IMPLEMENTATION AND SUSTAINABILITY

Background

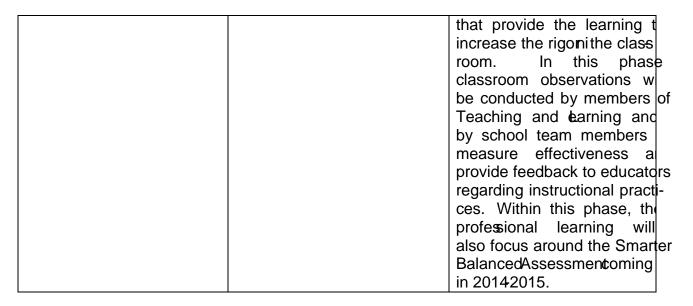

Global interconnectedness and competitiveness define today's environment, and this new

- x Maximize opportunities for collaboration and capacity building through professional learning.
- x Engage higher education partners.
- x Understand and plan for the coming common assessments in spring 2015.
- x Adopt technology

Over the course of time, what educators have learneds test focus on facilitating the Common Core and ards implementation process and determine what resources and professional development educators need to have in order make the transitionity. It is imperative to identify and promote educators awareness, understanding of the Common Core State Standards, and practice.

Timeline Overview

2011-12

Phase IV will be developed as the OffitofeTeaching and Learning monitors and adjust the 201314 plan in accordance with the literature and in working in collaboration with schools within Kenosha Idified School District and around the country. Schools will have identified key instructional leaders, grade level classroom teachers, iteratualcoachesand others to continue to build on the knowledge provided. Each school will need to continue the support of Teaching and Learning enhance professional learning via workshops and/or financial support to send staff to classroom strategies for increased giogiong (deeper into each standard). PhaseIV will need to ensure that @nmon @re is a major portion of each school professional learning community sustainable practicewith a clear focus on increased collaboration among educators.

- 2) Energy and the Environment,
- 3) Flight and Space,
- 4) Medical Detectives,
- 5) Magic of Electrons, and
- 6) Science of Technology.

The first phase implementation for the 2013-14 school year includes offering Design and Modeling at all three grades, Green Architecture at grade 7, and Automation and Robotics at grade 8. Design and Modeling is offered at all grade levels in year 1 to give all students the opportunity to take the unit.

The second phase implementation for 2014-15 includes Design and Modeling at grade 6 only, Green Architecture plus an additional specialized unit at grade 7, and Automation and Robotics plus an additional specialized unit at grade 8. The goal is to provide all of the Gateway to Technology units after a three-year cycle. The following chart outlines the implementation:
