During the 2015-2016 school year there were several bomb threats to school buildings in the Kenosha Unified School District. One of the grounds for suspension and expulsion is knowingly conveying any threat or false information concerning an attempt or alleged attempt being made or to be made to destroy any school property by means of explosives. The District wants to ensure that Policy and Rule 5437, Threats/Assaults, references all forms of communication by which a threat or false information can be conveyed, in violation of the policy. Therefore, Policy and Rule 5437, Threats/Assaults, now includes language making it clear that students are prohibited from knowingly conveying (through verbal, written, electronic, or other forms of communication) any threat or false information concerning an attempt or alleged attempt being made or to be made to destroy any school property by means of explosives.

In addition, section 947.015 of the Wisconsin Statutes makes it a Class I felony to intentionally convey or cause to be conveyed any threat or false information, knowing such to be false, concerning an attempt being made or to be made to destroy any property by the means of explosives. An update to Rule 5437 also includes a reference to Wis. Stat. § 947.015.

At its October 11, 2016, meeting, the Personnel/Policy Standing Committee voted to forward revised Policy 5437 to the School Board for approval. The Board approved revised Policy 5437 as a first reading on October 25, 2016. Administration recommends that the School Board approve revised Policy 5437 .
