

**KENOSHA UNIFIED
AUTHORIZATION TO DISCLOSE STUDENT'S MEDICAL INFORMATION**

If this document is not signed, it is assumed that authorization is **NOT** given. Authorization is effective until it is revoked by a parent or guardian, or until Student is no longer enrolled at the School.

The purpose of this authorization is to permit disclosure of Student's protected health information (PHI) among health care professionals, coaches, athletic training staff, insurance personnel, and academic counselors and administrators. This disclosure allows athletic medical staff and School to make certain decisions about Student's health and ability to participate in certain athletic programs sanctioned by School in accordance with the Health Information Portability and Accountability Act (HIPAA). HIPAA protects personal injury and illness information from disclosure without authorization under HIPAA. Student's PHI includes, but is not limited to, information involving the nature and treatment of an injury or illness, medical history and status, prognosis, diagnosis, athletic participation status, insurance coverage, and copies of hospital and medical records.

Pursuant to this signed authorization, athletic training staff, including trainers, coaches, or other qualified personnel of Kenosha Unified Hockey/Kenosha Thunder (School) are authorized to disclose Student's PHI verbally or in writing, as necessary and appropriate for the purpose of health care treatment or exchanging information regarding Student's health as permitted or required under the law (e.g. determining Student's ability and eligibility to participate in athletic programs sanctioned by School, evaluating injuries and other medical conditions which Student reports while engaging in athletic programs sanctioned by School, etc.).

The Student's PHI may be disclosed to:

- (1) School's coaches, athletic director, or other members of School's administrative staff or their designees;
- (2) Student's parents and guardians; and
- (3) Emergency medical personnel, hospitals, or other health care professionals who evaluate, diagnose or treat an injury, illness, or other condition incurred by Student while participating in athletic programs sanctioned by School, as necessary to:
 - (a)
